Rich- Sorry for the delay but the plan looks good. Also Ann has some of the ISOTECH bottles we ordered, that she used up at ATGAS and I also have a box in my office that you can use if needed.  
We also have about \$30K to put toward the Isotech/Techlaw sampling from our energy money that needs to be expended by mid-Feb. Dennis knows about it, but just a reminder when you do the paperwork. Thanks!

Karen D. Johnson, Chief  
Ground Water & Enforcement Branch

Karen and Cynthia,

Please find the final draft of the SAP for Dimock attached below. I am providing the main body of the SAP in Word so you may add comments as you wish. The tables are only present in the pdf version of the SAP.

We would like to finalize the plan by close of business Wednesday January 4. If you are able please provide any comments you may have by then. If you need more time please let me know and we will do all we can to accommodate your needs.

You may call me at your convenience using my mobile as listed below.

thanks  
Rich

Subject: Dimock Sampling Plan - Draft Final for Review

Rich,

Attached for your team's review, please find the most-recent Dimock sampling plan which incorporates elements of our discussions yesterday as well as that subject matter discussed with Dr. Ludwig. The .pdf contains the attachments. Please let us know if you have any questions.  
Thanks,

Joe Carter
